User (Joshua) (7:43 PM): Hey babe, Just a quick update for our wedding day. After the lady comes to your house to marry us, we'll head to D-Spot around 6:30 PM. Darren and his wife are going all out for us—they're even closing down early and giving us our own section in the back. It's going to be amazing! Oh, and about the dinner, Darren's really pulling out all the stops for us. Usually, a setup like this would cost around \$2,000, but he's doing it for us for free in exchange for a few videos I made him this week. Darren's a top-five chef in the state of Minnesota, and he's putting together a five-course meal for us. It's gonna be incredible—five-star wine, everything top-tier. Now, I need to know—what kind of entrée are you feeling? Fish, chicken, or red meat? Let me know, and we'll make sure it's perfect for my new beautiful wife (Seen)

Adri: Tell him and his wife thank you very much. He's doing all that for free. Thank you very much. I guess meat but you should choose too. Did he give you any cost for the food?

User (Joshua): I'll let Darren and his wife know how much we appreciate them—it's insane that they're doing all that for free! Honestly, it means the world. I do business with Darren a lot. [Arrow down]

IV. Wedding and Post-Wedding Conflict & Breakdown (March - April 2025)

March 11, 2025: WEDDING DAY

Joshua Whaley and Raquel Adriana Nuñez Flores Whaley get married in Saint Paul, MN.

Approx. March 17, 2025 (Night Before March 18th):

(Context provided by Joshua: Raquel says she is going out because she has an appointment to get her hair done.)

Raquel returns home later without having her hair done.

She states she went to 7th Street for the appointment but claims it would take 6 hours, so she decided to have her mother do it instead.

Evidence: Joshua finds a receipt left on the table. The receipt is from Claire's located in Maplewood Mall, dated March 17, 2025, at 6:54 PM, showing the purchase of a "CHARACTER LICENSE" for \$9.99 (Total \$10.83). (Screenshot documenting this receipt taken by Joshua on

March 18, 9:51 PM). This contradicts Raquel's stated location (7th Street) and purpose (hair appointment).

Joshua finds the 6-hour claim suspicious, believing Raquel knows hair dyeing timelines well from previous experience (10+ times).

March 18, 2025: Ignoring Messages / Staying Out

(Context provided by Joshua: First week in their new house together.)

Raquel reads a message from Joshua but does not open it or reply for approximately 2 hours.

Around 12:00 AM (midnight leading into March 19th), Raquel texts Joshua stating she is staying at a friend's house and will see him tomorrow. (This is the night away referenced in the March 19th argument).

March 19, 2025: Verbal Argument (Transcribed) - User & Adri

(Context: Adri arranging ride with male friend to go drinking. This follows the events of March 17th/18th regarding the hair appointment/receipt discrepancy and Raquel staying out the previous night.)

Adri: (On phone) Um..ito un Qu Close. Mm hmm. Okay, you're. Uh huh. I didn't. I love you. Okay, buff one of those

Josh: Who's that?

Adri: My friend.

Josh: Is that who you're going to see? Hmm? Is that who you're going to see?

Adri: No, he's bringing to my mom's house. I'm not driving today because I will drink.

Josh: That's odd. That's odd. I don't think I'm comfortable with that.? I don't think I'm comfortable with that.

Adri: Wait, what? With that.

Josh: About what? Well, I don't know. It's our first week me married, a new place. Yeah. You've already You've already been gone one night (referencing March 18th) and spent most of the day on the places. The other day you told me that you were going to get your hair done at Seventh Street yet you went to Mapland Mall (referencing the March 17th Claire's receipt). Yeah. Which didn't add up and didn't make sense because I know you you got your hair done before, so you know how long it takes, which doesn't make sense to me at all.

Adri: Yeah, because I could. Huh? I call it.

Josh: You can I know. I know, but I'm saying, you didn't know that it would take five hours?

Adri: No, I never My hair was the first time.

Josh: OK, either way, I'm not comfortable. It's like you going and hanging out with your guy friend and drinking and like all that. That's not like, that's not what typically happens. You know what I mean?

Adri: But we are not in our relationship, you know? Huh? We don't have a relationship.

Josh: Right, but things happen, and there's no way for me, I don't speak Spanish, I can't even, you know what I mean? Like, I There's no way for me to even know. Like, how would I ever know? And then yesterday, it was just kind of odd. I mean, you have swiped my message and then and then you kind of like beat around the bush when I ask you today.

Adri: why you want me to. What do you mean? Yeah. What do you mean? I like you're not comfortable, but.. I don't know, you can do whatever you want. I can do what I want because you are not normal relationship.

Josh: In you? Yeah. We're not a relationship. There's only before.

Adri: No, you didn't. No, you didn't. You said you had feelings so it was easy for you.

Josh: You real that I said before? What? You read it everything that I said before? So, okay, so we're not in a relationship?

Adri: That's what I told you before.

Josh: No, you didn't.

Adri: Yeah, you.

Josh: No, you didn't.

Adri: You read it.

Josh: Okay, well, then you can find somebody else to give you get you citizenship, because I'm I'm not here just to sit around and be here a guy that just, you know, sits here and sits back and waits for you. You know what I mean? Like, I' I'm not that guy. Not that guy.

Adri: Okay, that's fine, but I before that.

Josh: No, you didn't.

Adri: Yeah, you're gonna wait it.

Josh: Okay. Fond and wait. You fired.

Adri: No, you the person I didn't. So you said we are not in a relationship.

Josh: You said. You said we're not a relationship. What? What What about the whole thing? Like, you said you know, like when we went to the, right? Like. Come on, that's not cool. not cool. You know how much I care about you, how much I like you, and.

Adri: That's why I told you everything before.

Josh: No, you didn't.

Adri: Yes.

Josh: No, you didn't.

Adri: Yeah, you't. You can't go back and read it. You can go back and breathe. And I told you, are you sure about it? You say yes.

Josh: I didn't think. No, I said, I said, no kid. That's what you said. You said, "No kids, and I said, "Okay, as long as you're royal to me, I will be there for you, I'll help you, I'll do whatever you need me to do.. Huh? Read. I'll read that right now. I got that. I'll read that.. Okay. So you are seeing other people that. You are seeing other people then?

Adri: No. Are you see my friends.

Josh: Okay, but we're not a relationship, so that means that you can cheat in and it's not cheating, right? laughing about it. Okay, but that's. something like somebody else.

Adri: I didn't say that with somebody else.

Josh: You just said we're not in a relationship. How are you here with me if we're not in a relationship? What? How are you here? with me if you don't even count us as a relationship as a thing? And then you going to get picked up by sending.

Adri: All right. It's not. You coming up. No, they you're. What you I doing? Like. I'm going to my warm house right now.

Josh: Okay, who is this guy? Your friend?

Adri: Yeah, he's my friend. I know here for like five years old when I came here. Oh my family.

Josh: And then you're going where?

Adri: So my home. My mom's house. To drink?

Adri: No, there. I'm going to eat because she made a food for me. Okay, now, what are you doing? Then you're going to your friend's house.

Adri: Yeah. Your girlfriend's house? Yes. with the daughter and daughter.

Josh: Okay, we got to establish a clear bounding, because you said we're not in a relationship.

Adri: Yeah, it'll spray it. And I'll do b

Josh: So we're not in a relationship. You're like a real one. A real one. It's a real you. Huh? What is real you?

Adri: Just there, please.

Josh: No, can you just please tell me? Please tell me.

Adri: No, I don't know.

Josh: What do you how do you not know? Why can't you tell me? Look me in my eyes, please.

Look me in my eyes. Adriana.

Adri: Can you just say that you can't read it?

Josh: Why can't you tell me? Why can't she look me in my

Adri: Because I told you before.

Josh: No, I Okay, look, you say no?. Wait, wait. I don't want to either. I want to eat work to do this. I want to get to this. Look at me, please. What? I want to get to this. I like you.

Adri: Say, I know, I'm trying to understand the circumstances and I want to be there to help you, but I'm just saying that what we discussed it before. You said, no kids, and said, okay, right?

Josh: Yeah. No kids.

Adri: I' kids, yeah. No kids.

Josh: So can you understand why, like, how does that mean my relationship to my kids?

Adri: We are an in relationship? What do you call this? fine for you

Josh: So but the thing is, so if if we're not in a relationship then, it's to you, it's not cheating. If you if you go and do something with somebody

Adri: cheating, I understand what I'm? I don't. No, but I don't like that. I don't I don't I I don't want to do something. I like you. I like you.. I like you. Huh? Huh? Is that it?

Josh: What? Is that the message?

Adri: Yeah. See all part. All the part. R everything. Read everything. No.. Read everything, not use apart.

Josh: No, you just sent me that. That's what you sent me. Look at what you said. I have feelings for you, but that is why it's easy for me to do all. See, what? What is everything? Where?

Adri: Everything. You cannot read everything in there? Where?

March 19, 2025: Text Message (Adri to User - Facebook Messenger):

Adri: Think about what I told you. If at some point I told you about marriage, it was to be legal here. I said I don't have enough feelings to have a relationship for that reason I said I would pay all the expenses on the wedding and paperwork. If you don't want to continue with this, we should end it now. You can leave the place because I will continue to pay there. Just let me know as soon as you can so I can make other decisions I'm not trying to use you. Other people can also help me with that. But I told you because I do know you. Sorry for everything. I will understand what you decide

March 28, 2025: Verbal Argument (Transcribed) - User & Adri

(Context: Confrontation over Raquel texting her ex-partner)

Josh: Babe, why not just show me, bro? Babe.. Hey.

Adri: What?

Josh: Just tell me the truth, where you texted him some other stuff. Other than that. Babe. We

Adri: No, I'm saying

Josh: did you say something different than what you told me you told them? for? Did you tell him? Were you guys talking about something different? Th what you told me?

Adri: No.. Okay, then don't show me old messages. Just show me which one you were talking.

Josh: like somebody that's onious to tell the truth, they want... Don't you think? Hey. Don't you think?

Adri: What?

Josh: Like. Don't you think that somebody that would be having an honest conversation and telling the truth, don't you think they would just say here, especially to their husband, especially when it's an ax. Like, do you think that's uncommon? Huh? Baby.

Adri: I don't want to say nothing damn about it.

Josh: Why?

Adri: Because I are not like you are dumb with me, okay?

Josh: Okay, but I'm saying in general, baby, in general.

Adri: I can't talk about other people.

Josh: Okay. See, but that's where it makes me can imply. I mean, I just want to know you're not lying. That's it. I just want to trust you. I just want to trust you. How can I trust you? How can I trust you?

Adri: I'm not making you trust me. I know this kind of stuff are great. Baby, I't going to play with this.

Josh: Baby, I just. Why don't you want to trust me? Why don't you want me to trust you? Why don't you? Why don't you? Why don't you find that out a valuable thing? If somebody that you're living with, even if you don't love them, why don't you want that person to be on the trust you I would die for you. even knowing this is temporary, I would die for you, baby. I would fucking kill somebody for you. I love you so much. I know you it doesn't really matter to you because you don't love me back, but, like, even just somebody saying that, like, just the fact that I still do, like, you would think you would just have a little bit of respect for me, just to help ease my mind about it, considering that that is something to question. Like, you can literally ask anybody, and they would tell you I'm right, which means you're denying reality, baby. You're denying reality. There's right and wrongs in situation, and this one of them, you're wrong, maybe you're wrong.. I don't want you to go to bed, sleeping either, baby, but I. I need something here, baby. I need something here. I need you to at least help me understand why there's something, like. I need you to calm my nerves, because. You gotta work with me, baby. Taylor you cannot work with me. How to help me.. I mean, like. that's, like, a huge red flag, and that would explain why you're not, like,. Yeah, I don't know. Play, all the How are you?. I. And, I't well. What are you doing?,?

Adri: I and sorry about everything. Just tell me why we want to do and I can talk my family.

Josh: I'm sorry I don't want you to be sorry. I just want you to just be honest. That's it. You you' choosing to do this, baby. You're forcing my hand. And I love I don't want to fucking happen to you, because you're forcing my hand here. right now. Just on the sun is Do you hear me?

What? Why choose to risk risk everything? I risk everything? Baby, why? Why risk everything? I don't want to do this. I don't want to do this. I don't want to. I don't care about him, but I don't want to be able destitut for, like.

Adri: I have to say it. I't understand it all

Josh: you have to do is show me that you're telling the truth now and I will never ask you again. I will never ask you again. I will apologize to you. I'll say you're right. Justice it. See, but see that here because I. But see means to me, baby. You're lying. I want to believe you, I do. I want to believe you. I want to not,

Adri: and it's okay.

Josh: I want to.

Adri: I don't I don't try to make you just believe. It's okay. I want you. I want to say sorry and everything. Just let me know.. I'm in the situation, okay?

Josh: So if. So now I feel like. I'm stuck in in a terrible situation where I have to choose between you being okay. Me and my respect, and I'm balancing your family and my family and how they see it in between and it's it's hurting to be very bad. It's running different

Adri: I fall into your fun. I understand Your family don't have your

Josh: I'm telling you, I have my respect on the line. I cannot sit here if you're

Adri: everything for all only me, not my family because I don't care about me so but now it's then dissation to you know I don't care about me. Charles is theations so that I don't care. So why? So why risk? That's why I'm very..

Josh: It's you talking to him in some other way. You can't show me that means that I'm with somebody that's likely cheating on me, okay I can't my dignity. I left me down because I have standards, okay? I have I have fundamental things that are that I stand by. Okay, but I'm I'm using it as an analogy. Please try to just work with me here, okay? I cannot sit here if you're cheating on me and the fact is that you were ting your legs and that's not something that people do if it was something and you're innocent and you're telling the truth and you would easily show me. You're not what mean. In the end, pretty much means that you're cheating. So, the thing is, is I love you, and I care about you, even though you don't love me, I love you, and I don't. I don't want to hurt you. I don't. I want you to be okay.. Okay, but then why why? But like, why cause yourself me me yourself and risk all this for for saving, hiding attack. Like, why? That makes me think that you are,

Adri: because if I don't care, but know Italy. Huh?, but I don't care. Okay, but we'll have my family to.

Josh: But you're putting, you're literally putting yourself, you're putting me in a terrible position, you're putting your family in a terrible position by not. That's like that. No, no, it's my self respect. No. It's my self respect, baby. How? What?? Why? What are you talking about? Which way? Because you everything you?

Adri: No, no, I don't. I do. That's what I want to do. I do not. That's what you said you supposed to do.

Josh: No, I said I'm going to file for an annulment in what they do when in a relationship with somebody that is not from this country in less than a month that triggers marriage fraud. It is called marriage fraud, it will be triggered as marriage fraud from Minnesota. I don't do that. It's not me. It's Minnesota. We'll automatically pursue it because people do not just get married and get divorced a month later. It does not happen. It does not happen. So they're going to automatically look at that suspicious, when they do UCIS, which is the organization that is involved for overseeing that type of thing, is going to investigate. There to investigate, and they're going to probably see it. It's fucking weird that we got together. that we got divorced within one month.

Adri: I told you just translate all I want to do before that's what I say

March 29, 2025: Agreement to Work on Marriage

(Context noted from timeline and referenced in later texts: Following the March 28th confrontation, Joshua and Raquel discussed the situation and Raquel committed/agreed to move forward, including specific actions like going to church together, going to the gym, and working together as a team/unit to build each other up.)

April 7, 2025: Lake Phalen Incident & Discovery

(Context provided by Joshua: Joshua forgot his keys, which had an AirTag attached, in Raquel's car earlier. He was trying to sign Raquel up for healthcare, but his phone was dead. He called her workplace to reach her and was informed she had already left for the day. After charging his phone, he received a message from Raquel claiming she was busy working. Due to the discrepancy and needing his keys, he checked the AirTag location, which showed Raquel's car at Lake Phalen, not work.)

Raquel tells Joshua she is at work.

Joshua discovers via the AirTag on his keys (left in her car) that she is actually at Lake Phalen. Joshua drives by Lake Phalen and visually confirms Raquel is sitting in her car with another man.

(This incident breaks the March 29th agreement to work on the marriage and rebuild trust.)

April 8, 2025: Verbal Argument Snippet (Transcribed) - User & Adri

(Context: Confrontation about reasons for marriage)

Josh: Why? Because you don't need it. Because you don't need it. Why did we do this? You did it for what?. For your parents and for what?

Adri: Just from my friends. For your parents?

Josh: For your parents? You did it for your parents.

Adri: I have a card? No.

Josh: Are you? No. Let me see. Let me see.

April 8, 2025 (Approx.): Joshua's Plea to Raquel's Mother, Anna (Transcribed Text)

Joshua (Spanish): Anna, lo siento por llegar así. No sabía adónde más ir. No estoy aquí para causar problemas, estoy aquí porque amo tanto a tu hija, y en este momento estoy... roto. Hace poco, ella me miró a los ojos y me dijo que ya no me necesita, porque la tarjeta verde ya no es necesaria. Y Anna, yo sabía sobre los papeles desde el principio. Pero yo me casé con ella por amor. No por ningún beneficio. Me encantaba su sonrisa. La forma en que hablaba de su futuro. Me encantaba cómo me sentía cuando estaba a su lado, como si por fin tuviera un hogar en alguien. Pensé que ella sentía lo mismo. Nunca quise nada de ella excepto su corazón. Me mudaría a cualquier lugar, cambiaría cualquier cosa, haría lo que fuera para hacerla sentir segura, feliz, cómoda. Tomaría una bala por ella. Moriría por ella, sin dudarlo. Eso es lo mucho que la amo. Incluso mi abuela lo vio. Ella me dio el anillo de boda de mi abuelo para dárselo a tu hija. Ese anillo fue transmitido a través de generaciones. Ella confió en mí para continuar ese amor. Ella creyó en nosotros, Anna. Y ahora ni siquiera sé qué decir. Ayer, ella me dijo que estaba en el trabajo. Pero alguien que conozco la vio en el lago Phelan, con otro hombre. Llamé a su trabajo. Me dijeron que ella había salido temprano. Sostuve ese dolor toda la noche. Y hoy, ella me dice que ya no me necesita. Siento como si lo hubiera perdido todo. Como si ya no existiera para ella. Pero no estoy enojado. No estoy aquí para avergonzarla. Estoy aquí porque todavía la amo. Ella es todo mi corazón. Tú eres su mamá, tú

la conoces mejor que nadie. Por favor, habla con ella. Dile que no voy a rendirme con nosotros. Que quiero hacer las cosas bien. Que todavía creo en el amor que pensé que compartíamos. Vine aquí porque no tengo a dónde más ir. No sé cómo alejarme de alguien que amo tanto. Por favor, Anna, te lo ruego—habla con ella. Solo necesito que sepa cuánto me importa, cuánto estoy dispuesto a luchar por nosotros. Por favor, habla con ella por mí.

April 9, 2025 (Evening Meeting - Transcribed Verbal Statements):

Raquel's Mother (Anna) (Spanish): "Joshua, no, no se está haciendo daño con esto que le está haciendo a mi hija. Ella no está, no, no sabía nada de todo esto. Yo no sabía ni mi, ni mi esposo qué está pasando. Está haciendo daño a mi hija emocionalmente, psicológicamente. Ella no, no, nunca ha pasado por esto. ¿Por qué está hablando eso? Ella nunca se ha querido aprovechar de usted. Si usted ya lo sabía, ella y usted, ¿por qué nos están haciendo esto, Joshua? Eso no es justo."

Joshua (English): "I loved you, daughter. I still love you, daughter. Somehow I used her, but she married me for a green card and now wants a divorce. After one month I would've done anything for her. Now she broke my reputation, my heart, and somehow I used her. I don't know."

Joshua (Spanish Translation): "Te amé, hija. Todavía te amo, hija. De alguna manera la usé, pero ella se casó conmigo por una green card y ahora quiere el divorcio. Después de un mes, yo hubiera hecho cualquier cosa por ella, y ahora ella rompió mi reputación, mi corazón, y de alguna manera la usé. No lo sé."

Reported Statement (Parents/Mother) (English): "Yes, what we don't like is that you are following Adriana."

Reported Statement (Parents/Mother) (Spanish): "Sí, lo que no nos gusta es que estás siguiendo a Adriana."

Reported Statement (Parents/Mother) (English): "Because she feels bad, and you can't keep harassing her. We didn't know about the things you talked about. Everything happened so fast that we are stunned. I don't know why you are acting this way today."

Reported Statement (Parents/Mother) (Spanish): "Porque ella se siente mal, y no puedes seguir acosándola. No sabíamos de las cosas que hablaste. Todo pasó tan rápido que estamos atónitos. No sé por qué estás actuando así hoy."

Reported Statement (Parents/Mother) (English): "There, she says that she is charging \$10,000 for psychological damage."

Reported Statement (Parents/Mother) (Spanish): "Ahí, ella dice que está cobrando \$10,000 por daño psicológico."

Reported Statement (Parents/Mother) (English): "I don't know why. It really looks very bad, honestly. No, no, no, no, no, no, no, no."

Reported Statement (Parents/Mother) (Spanish): "No sé por qué. Realmente se ve muy mal, honestamente. No, no, no, no, no, no, no, no."

Joshua (Emotional Monologue - English): "Look, I gave your daughter my heart, my everything. I'd be willing to die for your daughter and she doesn't care. So I have to leave now and I have to tell my grandma I gave her the ring, I have to tell all my friends who know because I talk about her every day, because I love her. I have to tell everyone I work with and the people around me that I no longer have a wife because she used me and left me in less than a month. Okay? This is breaking me right here. It's breaking me right here, it's breaking me right here. I have

nowhere to live now, I have to go back to my grandma's house and explain all of this. Do you know how she's going to feel? Do you know how I feel? You're talking about me harassing her? How is this harassment to her? Maybe she should've thought before marrying me a month before wanting a divorce. If this ends today, it ends on my terms and I'm ending it today."

Joshua (Emotional Monologue - Spanish Translation): "Mira, le di a tu hija mi corazón, mi todo. Estaría dispuesto a morir por tu hija y a ella no le importa. Así que tengo que irme ahora y tengo que decirle a mi abuela que le di el anillo, tengo que decirle a todos mis amigos que saben porque hablo de ella a diario, porque la amo. Tengo que decirle a todos con los que trabajo y a las personas a mi alrededor que ya no tengo esposa porque ella me usó y me dejó en menos de un mes. ¿Está bien? Esto me está destrozando aquí. Me está destrozando aquí, me está destrozando aquí. No tengo dónde vivir ahora, tengo que regresar a la casa de my abuela y explicarle todo esto. ¿Sabes cómo se va a sentir ella? ¿Sabes cómo me siento yo? ¿Hablas de que yo la estoy acosando? ¿Cómo es esto acoso para ella? Tal vez debería haber pensado antes de casarse conmigo un mes antes de querer el divorcio. Si esto termina hoy, termina en mis términos y lo estoy terminando hoy."

Joshua (Misc Phrases - English): "Why would I do this then? If I didn't think she cared about me, why would I do this?" / "Why would I marry her if I didn't think she cared about me?" / "What would be the benefit for me? What for? What for?" / "Me? How was I going to take advantage of her? How?"

Joshua (Misc Phrases - Spanish): "¿Por qué haría esto entonces? Si no pensaba que ella se preocupaba por mí, ¿por qué haría esto?" / "¿Por qué me casaría con ella si no pensaba que ella se preocupaba por mí?" / "¿Cuál sería el beneficio para mí? ¿Para qué? ¿Para qué?" / "¿Yo? ¿Cómo iba a aprovecharme de ella? ¿Cómo?"

Reported Statement (Parents/Mother targeting Joshua) (English): "He was trying to take advantage of you while you were with him, you see?"

Reported Statement (Parents/Mother targeting Joshua) (Spanish): "Estaba tratando de aprovecharse de ti mientras estabas con él, ¿ves?"

April 9, 2025 (Post-Meeting Voice Message Transcript - Joshua to Adri):

Joshua: Why would you tell your mom that I touched you? Why would you tell her that I' taken advantage of you? Why would you tell her something like, he's a good? good guy?" I mean, just last week, you were landing in bed and sick, and I got up at two in the morning and went, got you, McDonald's, because that's what I'm supposed to do as a husband. Why don't you tell her something like that? Why don't you tell her that I tried everything to make work? Why don't you tell her that? Why don't you tell her that I don't doing anything for you? I don't you tell her that? Why would you tell that I dodged you and I was taking advantage of you? I came everything to you. I gave you everything. It's not something that you can just give back. I'm not okay. I'm not okay at all. I' We just talked about it. I told her that your eyes that I told you I'm honorable. You can't hurt me. Just tell me you won't hurt me, please. That's the first thing you tell why. Why? You just opened up to be after? You were texting. You just opened up. You had told me that you. How bad at her when you found out.. I was I was there when you at. I heard you out. Why would you. We just haunt. We had a conversation, understanding. We were going to start working on things. We't going to go to the gym together. We' going to go to church on studies together, we were going to start doing things that b each other are making each other a team, not put each other down. What did I do to you? Like, what did I do to you? What did I do to you?

V. Communications with Raquel's Father (Juan)

March 31, 2025 (SMS Text Message - User & Juan):

User (Joshua) (9:33 AM): Hola Juan I'm here with Adriana's car

User (Joshua) (3:27 PM): Oye, Juan, envíame un mensaje de texto cuando llegues

Juan: Ok

Juan: I m here

April 9, 2025 (SMS Text Message - Joshua to Juan):

Joshua (2:29 PM relative timestamp): Juan please share this with any Les escribo a los tres porque necesito que conozcan la verdad y entiendan lo que realmente está pasando ahora. Me casé con ella porque la amaba—la amaba tanto que me duele el alma escribir esto. Fue mi primer amor, mi único amor, la persona por la que hubiera dado la vida. Ella me preguntó si quería casarme con ella, me dijo que tenía sentimientos por mí, que para ella era fácil por eso. Yo le dije: “Está bien, pero tenemos que hablar”, y fue entonces que volví a verla. Yo creía que lo nuestro era real—un cariño mutuo, un beneficio mutuo, algo verdadero que podíamos construir juntos. Me dijo que no quería tener hijos, y yo lo acepté. Me adapté a lo que ella necesitaba. Le ayudé a conseguir su residencia por amor, no por ningún trato. ¿Y qué recibí a cambio? En la primera semana de matrimonio, ella se fue con otro hombre y no volvió en toda la noche. Para la tercera semana, ya le estaba escribiendo a su ex y escondiéndomelo. En la quinta semana, me mintió en la cara—me dijo que estaba trabajando, pero en realidad estaba en el lago con otro. Sus propios mensajes, sus errores, lo prueban. Hace apenas una semana—una sola semana—la descubrí escribiéndose con su ex. Primero me mintió, no quiso mostrarme el mensaje, y luego lo borró delante de mí. Cuando la enfrenté, se puso a llorar, me pidió perdón, y me contó una historia de cómo él la había engañado a ella. Dio vuelta todo—lo hizo sobre su dolor, no sobre lo que me acababa de hacer. Y yo ahí, tratando de entender, queriendo seguir creyendo en nosotros. A la mañana siguiente hablamos. Me dijo que debíamos estar construyendo algo juntos, que íbamos a empezar a ir al gimnasio, ayudarnos a salir adelante, comenzar a ir a la iglesia los domingos. Me pintó un futuro que se suponía íbamos a caminar juntos. Pero todo ese tiempo, ella ya iba por otro camino. No se dicen esas cosas mientras se ocultan mensajes y se borra la verdad. Eso no es una pareja. Eso es una actuación. Y luego, ayer, ella llega a casa y me dice: “Ya no te necesito—ya no necesito la green card,” como si yo fuera desechable. Estaba tan destrozado que fui a ustedes—sus padres—a pedir ayuda. Porque alguien que le dio todo a su hija, que se casó con ella, que la apoyó con su residencia, no se merece esto. Ustedes dijeron que hablarían con ella. Después fui a casa, me acosté en el piso porque no podía ni ver la cama, y ella me pone una cobija encima, me agarra el brazo, lo pone sobre su pecho, y me dice: “¿Estás bien? Lo siento.” Pero

fue un montaje—luego usó eso para decir que yo la toqué. Eso no fue amor. Eso fue manipulación. Ahora anda diciendo que yo siempre supe que esto era solo por la residencia. Eso es mentira. Ella me pidió que me casara con ella. Me dijo que sentía algo por mí. Ella puso las condiciones—sin hijos—y yo acepté porque la amaba. Todo lo que diga ahora es torcer la historia. Y ahora me dicen que yo me aproveché de ella, que la controlaba... ¿De verdad? Yo solo quería conseguirle seguro médico, cuidarla, estar para ella en todo. Ella vino a mí y yo le di todo—mi corazón, mi alma, mi futuro. Nunca le pedí dinero, ni estatus. Solo quería su amor. Y ahora me toca explicarle a mi abuela por qué el anillo que ella me dio—el de mi abuelo—ya no vale nada. Porque la persona a quien se lo di me usó y me dejó. Estoy evitando a mis amigos, a mis compañeros de trabajo, hecho pedazos, mientras ella sale como si nada. ¿Y me dicen que el malo soy yo? Todavía la amo, y eso es lo más duro. Una parte de mí quiere perdonarla, protegerla. Pero la otra parte—la parte humana—no puede con este dolor solo. No quiero destruirla. Solo quiero una cosa: la verdad. Quiero que se siente frente a mí, con ustedes presentes, y diga la verdad. Que reconozca que me ha estado manipulando psicológicamente. Que yo no estoy loco. Que mintió. Que lo siente—y que lo diga de corazón. Eso es lo mínimo que merezco después de todo esto. Aparte de eso, necesito 48 horas para decidir qué voy a hacer. Yo sé que ustedes son personas con valores. No les estoy pidiendo que la juzguen ni que se pongan de mi lado. Solo les pido que vean la realidad con ojos abiertos. Que no se dejen engañar por una historia que no es cierta. Ustedes conocen a su hija. Saben cuándo está evitando la verdad. Y ahora es el momento de ayudarla a hacer lo correcto. Ayúdenla a enfrentar lo que hizo. Ayúdenla a decir la verdad. Que se haga responsable. Que repare el daño. No por mí, sino porque es lo correcto. Porque nadie crece huyendo de la verdad. Yo todavía estoy aquí, pero ya no puedo seguir cargando con esto solo.

Juan: Yo voy a que ag0

Adri (Original Timestamp 3:35 PM / 6:49 PM): "I'm sorry but I don't love you. I appreciate you for the time I've known you and because at some point we were a couple. I barely ended my relationship with the boy I told you who cheated on me and I also told you that it is very difficult for me to love someone now. I don't feel love, I just feel a feeling of appreciation. You said you would help me that's why I accepted. Deep down I always loved you but all that is different. I feel that you control me that you follow me everywhere and I don't feel good. I don't feel like continuing with you every day, sorry"

Adri: "I lost my partner. I lost my baby and lost many more things. At no time did I lie to you and say I love you I will be forever"

Adri: "There are many things that you don't know how they hurt because you only know that you love me and want to have me there for you and I can't"

Adri: "I'm broken and you don't see that either"

User (Joshua, Original Timestamp 4:39 PM): "You say you're broken—but the truth is, you broke me. Before all this, I was good. I was healing. I had focus, peace, momentum. Then you asked me to marry you. You told me you had feelings for me. I said I wanted a loyal, healthy, loving relationship that brings us up—no kids, just us. You said, "Good, we're on the same page," and I believed you. I followed your lead. I said yes to your terms. And I gave you everything: my name, my love, my trust, my protection. But just days into our marriage—before we even made it to the one-week mark—you lied. You told me we weren't in a real relationship, that my feelings weren't valid, and got picked up by another..." (Continued below)

User (Joshua): "...what you lost—it was someone real. Someone who meant it. Someone who said yes to you when you asked, and you can't even give me the dignity to tell the truth. April 10, 2025 (Approx. - Text Message - Joshua to Adri - Ultimatum):

Joshua: You say you're broken—but the truth is, you broke me. Before all this, I was good. I was healing. I had focus, peace, momentum. Then you asked me to marry you. You told me you had feelings for me. I said I wanted a loyal, healthy, loving relationship that brings us up—no kids, just us. You said, "Good, we're on the same page," and I believed you. I followed your lead. I said yes to your terms. And I gave you everything: my name, my love, my trust, my protection. But just days into our marriage—before we even made it to the one-week mark—you lied. You told me we weren't in a real relationship, that my feelings weren't valid, and got picked up by another guy. That already hurt. Then you were messaging your ex again before we even hit three weeks. Gaslit me, lied to me like I was crazy. Then came April 7—when you told me you were working, but you were really at Lake Phalen. With someone else. Lied to me again. You looked me in my eyes and you lied. And on April 8—just one day later—you told me I didn't need to give you a green card anymore because someone else would. And your parents didn't need it anymore, so you don't need me anymore. And now... you want to tell me I "compressed" you? That I "controlled" you? No. I supported you. I stood by you. I didn't try to change you—I loved you. Fully. The way you asked me to. You had someone who believed in forever, and you threw it away in less than a month. You want to say you didn't lie—but what do you call all of this? You've said your side. Now hear mine: I'm not begging. I'm not chasing. But I'm giving you one last chance to make this real—not perfect, but honest. Come clean. Fully. Openly. Bring our cats back. Apologize to me and to my family. Sit with yours and tell them the truth, too. Because if there's anything left between us, it has to start with truth—not silence, not blame, not another

lie. You have until tomorrow night to decide . After that, I'll do what I have to do I'll walk away. I heal. I rebuild. Because I deserve a love that shows up as fiercely as I do. And if you ever wonder what you lost—it was someone real. Someone who meant it. Someone who said yes to you when you asked, and you can't even give me the dignity to tell the truth. I'm hurting right now more than I ever have before, but you're the one who's going to have to live with this. You're the one who's going to be up at night, not me The

--- END OF COMPREHENSIVE COMMUNICATIONS REPORT ---Adri's Proposal (Q1/Q2): Adri was serious when proposing and claimed she had feelings, saying it made things "easy."

"Same Page" Meaning (Q5): Adri's agreement likely focused only on the "no kids" aspect, ignoring the relationship commitment Joshua described.

Friend for Info (Q3): Still unclear who this friend was, just "the person that knew about marriage."

Prenup (Q46): A prenup was discussed but never signed.

Wedding Dinner (Q7/Q8): The free dinner was a legitimate exchange for Joshua's marketing/video work for the chef (Darin), and Adri initially showed enthusiasm for these plans.

March 17th Suspicion (Q11): Besides the receipt, Adri "seemed off" when explaining the hair situation.

March 18th Staying Out (Q12): Adri claimed she was staying with her friend Evelin but gave no specific reason for staying out.

March 19th Argument Points (Q13): Joshua explicitly voiced discomfort about her staying out the first week without discussion, being picked up by an unknown male friend, and the prior lie about the hair appointment/mall receipt.

I will now update the relevant sections of the report to reflect these details.
